51cm (20) widescreen LCD monitor

The Samsung 2043SWX widescreen LCD monitor saves you money by using up to 50% less power. You'll also get an incredibly detailed picture with a 15,000:1 dynamic contrast ratio and 5 ms response time. And with the height adjustable stand, you can be more productive by adjusting it to your own comfort level. The 2043SWX is also stunning to look at with a thin, space-saving bezel and beautiful black finish.

distinctive design

The slim design gives you plenty of room for all your computer applications and multiple images. Plus, the 2043BSWX is a perfect fit no matter where you enjoy it. And the soft, rounded corners with a rich piano black bezel add to its attractive design.

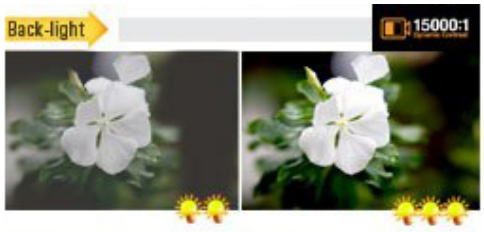
uses less power

Samsung's new technology uses 40 to 50% less power than older models which saves you money on your electric bill.

exclusive magic technologies

It's now possible to set the display settings faster and easier than ever. MagicTune lets you easily adjust the monitor's brightness, colour and image size in a convenient and accurate way. MagicColour enhances colour while MagicBright³ automatically optimises brightness, contrast

high dynamic contrast ratio



Every image is illuminated with a dynamic contrast ratio of 15,000:1. Brighter images are brighter, darker images appear darker, resulting in superior quality, and amazingly detailed pictures.

and gamma correction, to help get the best picture quality.
